Sir,

Including you in this in the interest of time. I have asked for more info and expect to get it in the next few minutes. I will update once I receive more information.

Bob

**Subject:** Protesters Sprayed with OC

Sir, I was just advised Sheriffs sprayed two protesters with OC Spray in the Coutts protest area just now. I will get more info, but wanted to let you know. Preliminary information is the protesters moved towards two sheriffs sergeants and refused warnings to stop. This may have been captured by media or social media. I will update as soon as I get more info.

Bob
